✂ Dear Friends,

✂ How fortunate we are to have such a
beautiful Parish Church, which serves its
village in so many ways.

✂ There can be few people in the village
who have not visited it or benefited from
its ministry in some way over the years.

✂ What many people do not realise is that
**all that we do has to be funded
locally.**

✂ **There are no grants from Diocese
or the state as in some other
countries.**

✂ At present we are finding it hard to make
ends meet, so if you could make a
contribution to keep our church serving
the village, now and in the coming years,
it would be wonderful.

✂ Please use the form on this leaflet. You
could drop it off into church were I shall
be on the morning of November 3rd
from 9 am to 12.30 pm; or put it in the
'New Rectory' letter box (just north of
the Village Centre on the High Street).

✂ Many, many thanks,

✂ Gill
Rector, All Saints Staplehurst

About your Parish Church

This is an ancient building — it has been the **spiritual heart** of this community for 900 years.

We are a **living vibrant community** — still serving our community both within and without the church walls.

For 100's of years we have **baptised, married and buried** the people of this Village. We do so now and hope that we can continue to do so in the future.

Today our ministry includes visiting our nursing homes and those who are sick in hospital or at home.

Church members support and are involved with many other local organisations including the parish council and especially our local schools.

Please support your Parish Church on the 3RD November so your church can continue to support you.
